### What is DDD North?

DDD North is a free one day technical event for developers. This is the first Developer! Developer! Developer! Community Event ever ran in the North of England. DDD North is a day of learning, discussion, contribution and involvement in the community in the North East, North West, Midlands and Scotland. The goal of DDD North is to provide free technical education with the added benefit of the networking possibilities with peers and the development of relationships across the .NET Industry.

DDD North is already attracting a large amount of interest amongst the community and it is building up to be another fantastic addition to the Developer! Developer! Developer! stable of events and a fantastic benefit to the North of England Community and Region.

### Sponsorship

DDD North is currently seeking sponsors to help add to the event and help to make the event a great success. DDD North attracts many developers from a breadth of experience and industries, including those new to the industry and those who are active vocal influencers in the industry. DDD North allows you to target this broad audience and get your message, products and services
